

## SUMMARY

I designed various Pages, mailers by understanding the code & architecture in briefs. I worked on a project titled 'Dobiznow-Web app' during my internship. During the internship I demonstrated good design & coding skills with a self-motivated attitude to learn new things .[Internship Certificate](#)

As Web Developer I learned many new technologies like expressJS , AngularJS, JS, & nodeJS. I also learn to develop REST Api with CURD operation.

## KEY SKILLS

HTML

CSS

JavaScript

AngularJS

Express.js

Coordination

REST APIs
